

Imagine Edgenuity and NCAA

Help grade 6–12 students balance academic and athletic success

Imagine Edgenuity's NCAA-approved curriculum helps student-athletes fit learning into their busy schedules. These courses support student success in sports without sacrificing their education in the classroom.

Two Paths to Instruction

1

INSTRUCTIONAL SERVICES

Instruction provided by Imagine Learning's certified teachers

- Rigorous, research-proven curriculum provided by Imagine Edgenuity™
- In addition to regular instruction, on-demand tutoring is available to students 7 days a week
- No need to submit nontraditional course questionnaire

2

DISTRICT TEACHERS

Instruction provided by your district teachers

- Rigorous, research-proven curriculum provided by Imagine Edgenuity
- In addition to regular instruction, on-demand tutoring is available to students 7 days a week
- Must submit nontraditional course questionnaire describing implementation model

Imagine Learning's Certified Teachers

Highly qualified, state-certified online instructors provide:

- Synchronous instruction via chat, phone, and web meetings
- Written feedback on students' work
- Reteaching of concepts when students are struggling
- Regular communication with school, staff, and parents

The following Imagine Edgenuity courses have already been reviewed and approved by the NCAA as meeting its definition of “core courses.”

- French I-III
- German I-II
- Latin I-II
- Chinese I-II
- American Sign Language 1, 2, and 3
- AP Spanish Language and Culture
- AP French Language and Culture

Notes on customization:

- NCAA accepts Imagine Edgenuity’s state-specific and honors versions of core courses.
- Further course customization may result in an NCAA review to ensure that they are equivalent in length, content, and rigor to face-to-face courses.
- Curriculum is only one element in determining NCAA eligibility — additional elements are grounded in how courses are implemented at your school.

For more information on these guidelines and other NCAA requirements for nontraditional courses, please contact Imagine Edgenuity or the NCAA Eligibility Center.
